office operates. Interns work closely with staff to create a team that is accessible and responsive to the constituents of Arizona's Congressional District 2. Our internship opportunities are unpaid, but we are more than happy to work with students to help earn school credits. Interns are required to do at least two shifts of four hours twice a week. The shifts are from 9:00am-1:00pm and from 1:00pm-5:00pm. There are also full time positions available where schedules permit.

Interns perform a variety of duties including day-to-day administrative work, data entry, answering phones, drafting constituent correspondence, helping constituents work with federal agencies, and assisting staff where necessary.

Please keep in mind that internships are competitive. Prospective interns will be contacted regarding an interview following a review of credentials.

To apply online please visit <https://mcsally.house.gov/services/internships> or you may contact the internship coordinator, Taj Sultan, directly at the Tucson district office.

## Call for Five Star Faculty Award Selection Committee Members!

The Five Star Faculty Award was first awarded in 1983. It is the only university-wide teaching award in which the nominees and winners are selected exclusively by students. The purpose of the award is to recognize excellence in undergraduate teaching. A committee of students works together to review nominations, conduct classroom observations, and interview nominees, in order to choose a winner. While most of this work happens in the spring, the committee will meet 2-3 times this fall.

If you are interested in being part of the committee, which is open to all UA students, please fill out this short form. We will contact everyone at the end of September to coordinate a meeting at the beginning of October.

If you have any questions please contact Stephanie ([chois@email.arizona.edu](mailto:chois@email.arizona.edu)) and Alison ([aecomrie@email.arizona.edu](mailto:aecomrie@email.arizona.edu))
