4th National
WOMEN IN CYBERSECURITY (WICYS) CONFERENCE
TUCSON, ARIZONA | MARCH 31 - APRIL 1, 2017

Tennessee Tech University, in collaboration with the University of Arizona, is proud to announce the 4th National Women in Cybersecurity (WICYS) conference to be held on March 31 - April 1, 2017 at the JW Marriott Starr Pass Resort and Spa in Tucson, AZ.

The WICYS initiative was launched with support from a National Science Foundation (NSF) grant (award #1235965). Since 2014, with additional support from industry, government, and academic partners, WICYS has become the premier event to recruit, retain, and advance women in cybersecurity.

WICYS brings together women in cybersecurity from academia, research and industry for sharing of knowledge/experience, networking and mentoring. Beyond the annual conference, WICYS is a community of engagement, encouragement and support for women in cybersecurity.
