

THE UNIVERSITY OF ARIZONA SOUTH

Fall 2014

1 YEAR

FREE Career Services for all UA South Students

UA South is offering all students FREE career services for one year to provide you an expanded suite of resources that will help pave your way from classroom to career. Many of the services are conveniently online. As a UA South student, you have already been registered. Just use your NetID and Password to access it at www.career.arizona.edu/student.

Services Include:

- **Wildcat JobLink (WJL)** postings exclusively targeted to UA students and UA graduates. With over 15,000 employers participating in this site, opportunities come from all sectors.
- **Resume Builder:** Back to Basics. That's your resume, an important marketing tool for any job search. This interactive site walks students through a customized resume creation process.
- **The Resume Referral program** is automatically yours

NOW HIRING Student Workers

UA South is currently seeking students who are interested in Office and Customer Service Support positions

robrien@email.arizona.edu

Submit a cover letter and resume by September 26th

when you participate in WJL. Career Services referred over 40,000 resumes to top employers last year.

- **Campus Interviewing Service** From small to large, corporate to nonprofit, government to Fortune 500 companies and organizations come to our campus each semester, ready to interview UA students. This service offers a face-to-face opportunity to interview for both internships and full-time career positions.
- **Online Career Assessment Program** Overwhelmed by the sheer number of viable career choices out there? Our online career assessment programs include the most effective decision-making tools available today featuring the AZ Career Information System.
- **Internships.com** provides a national database of internship opportunities where you can get contact information for over 20,000 employers encompassing over 70,000 internships.
- **Going Global** is your go to website for a database of international employers plus advice on tapping into international markets.
- **Career Beam** delivers a robust database of national employers with key contacts, in-depth company information and LinkedIn connections.
