U.S. Rep. Martha McSally's Internship Program is Now Hiring for the Fall of 2016 and Hiring Immediately for the Summer of 2016

Our internship program is open to all majors and provides an opportunity for students to learn, first hand, how a Congressional office operates. Interns work closely with staff to create a team that is accessible and responsive to the constituents of Arizona’s Congressional District 2. Our internship opportunities are unpaid, but we are more than happy to work with students to help earn school credits. Interns are required to do at least two shifts of four hours twice a week. The shifts are from 9:00am-1:00pm and from 1:00pm-5:00pm. There are also full time positions available where schedules permit.

Interns perform a variety of duties including day-to-day administrative work, data entry, answering phones, drafting
constituent correspondence, helping constituents work with federal agencies, and assisting staff where necessary.

Please keep in mind that internships are competitive. Prospective interns will be contacted regarding an interview following a review of credentials.

To apply online please visit https://mcsally.house.gov/services/internships or you may contact the internship coordinator, Taj Sultan, directly at the Tucson district office.
