CIA - Directorate of Operations

The DO seeks candidates with a variety of backgrounds, life experience, and professional and educational histories.

- Candidates must have (or be within one year of earning) a 4-year degree from an accredited college or university.
- While a GPA of 3.0 or better is preferred, each candidate’s overall academic performance is assessed.
- There is no preferred major or program of study.
- All new DO officers joining the elite team are required to live and work under cover.

Training provides you with the skills needed to live and work under cover, but only you can decide if hiding the truth from others (including family members, friends, and close acquaintances) is a commitment you can accept.
