Apply here
The Development Administrator will assist the GPSC in developing a strategic donor-based fundraising program by organizing and executing financially successful fundraising events and by identifying donors and potential donors. Detailed description.

Elections Director -
Apply here
The Elections Director is responsible for the planning, coordinating, marketing, and executing Fall Special Elections, GPSC General Elections, and other special elections, as needed. Detailed description.

Club and POD Funding Administrator -
Apply here
The Club and POD Funding Administrator is responsible for organizing and processing Initial and Special Club funding and Professional Opportunities Development (POD) funding applications submitted to the GPSC. The Administrator also ensures award disbursements are transparent, accountable, and meet UA compliance requirements. Detailed description.

Institute Director -
Apply here
The Institute Director will assist and advise the President, Executive Board, and the design, Planning production, and event management services to our clients within the automotive industry.

Our key clients include BMW, Jaguar, Land Rover, Acura, Honda, Toyota, Lexus, Audi, Volkswagen, Alfa Romeo and more!

In general, our main work is to help the automotive manufacturers launch their newest vehicles on a nation-wide basis. We're currently seeking a fun, sharp, energetic individual to join our rapidly-growing team as a part-time paid intern.

JOB FUNCTIONS
The primary functions of this position incorporate an array of creative skills, instructional design, and out-of-the-box critical thinking. Responsibilities of the position include:

- Communications design.
- Research, create, design, and develop written and graphics materials for our clients. Conduct research, attend seminars, uncover what's "new and hot" in our industry. Specific applications of these skills include: Producing content for awarded projects
- Helping all departments with project management tasks
- Conducting factual research for use in content we create

Project support:

- Fact-checking technical information
- Coordinating shipping and receiving of program materials
- Scripting and aiding with video production
- Purchase and procurement of project-required materials

JOB REQUIREMENTS:

Must Haves:

- Outstanding written communication and grammar skills
- Outstanding verbal communication skills (you'll work with our full-time employees on a daily basis)
- Envelope-pushing creativity (we rarely do the same thing twice)
- The ability to rapidly learn and apply new skills and software
- A service mentality, both with co-workers and clients
- Willingness to "flex" personally to meet sudden and/or tight client deadlines
- Basic working knowledge of MS Office software

Nice to Haves:

- Genuine interest (and knowledge of) the automotive industry's newest offerings, including manufacturer vehicle plans, current trends, and marketing activities.

Compensation:

- Our internship rate is $16/hour. Weekly hours are flexible to your schedule and will be limited to a maximum of 29.

No benefits are included and there is no increase in the hourly rate if evening or weekend work is necessary (which will be rare, if required at all).

Please apply using Handshake.

NETCOM is looking to hire 100+ IT folks at interns. Requirements are Computer Engineers, Electronics Engineers, and Computer Scientists that got an undergraduate degree in the last 2 years. I figured this may be a great opportunity for some of our recent Cyber Ops, Electrical and Computer Engineering, Informatics, and Intelligence Studies graduates. Even better, UA South would be a great connection because of its proximity to Ft. Huachuca.

Childcare Subsidy Program
Class Information

HSTV 437 - US History from 1977 to 1918
This is a fully online course that covers Native American history, African-American history, immigrant history, and the origins of the Populist and Progressive parties, which is particularly relevant today. For any aspiring teachers, this course might be of particular appeal or for anyone who is curious about the development of political action and the history of preindustrial America.

Funding open for the Childcare Subsidy Program through UA Life & Work Connections, and its campus partners.

For any questions:
* Email lwcsubsidy@email.arizona.edu for Student Subsidy Program questions or call 520.621.4365
* To request a consultation to discuss childcare options for your family contact Caryn Jung, MS by email at jungen@enarraozona.edu or call 520.621.9870

Visit the link below for more information: http://www.lifework.arizona.edu/cc/student_child_care_subsidy_program
about how our current political parties and the history of our relationship to minority populations and immigration evolved. The course requires some reading, but the lectures are all in the form of online videos, and there are a number of very good documentaries. There are two papers required, but no other exams.
