HIGHLY NONTRADITIONAL STUDENT PERSISTENCE IN AN ONLINE BACHELOR’S DEGREE PROGRAM-EXPLORING CURRICULUM AND INSTRUCTION: CASE STUDY
Volunteers Wanted for a Research Study
My name is Javare’ Phillips and I am a Doctoral Candidate with the University of Phoenix. I am seeking volunteers for a research study. The purpose of this qualitative exploratory case study is to determine which elements of active learning in curriculum and instruction will help increase the persistence of highly nontraditional students in an online bachelor's degree program.

- The major eligibility criteria is:
  - 25 years and older
  - Female with at least one young dependent
  - Unmarried
  - Working full-time
  - Enrolled part-time in an online bachelor’s degree program at the University of Arizona

- Compensation: gift card to Starbucks or free breakfast or lunch. If you participate, there are no direct benefits to you. However, you will contribute to educational research that will help promote effective teaching and learning experiences.

To learn more about this research please contact the primary investigator at 520-334-7287 or email at javam01@yahoo.com

The Writing Skills Improvement Program (WSIP) is an academic support program that provides professional writing tutoring to UA undergraduate and graduate students, staff, faculty, and visiting scholars across all disciplines.

- No cost to UA students, faculty, and staff
- Self-paced and accessible at any time from anywhere
- Courses can be used to prepare for certification exams
- Voluntary participation

Visit our website or call (520) 621-9849 for more information.

**Volunteer Opportunities**

Represent UA South on the Graduate and Professional Student Council

In order for GPSC to better serve the graduate student community, it is important that we have representation from the different groups/campuses across all our campuses. I hope you can pass this information along to students at UA South who may be interested.

In order to be an appointed GPSC representative, each candidate must submit a petition, along with 10 signatures from members of their constituency. That includes any graduate or professional student from UA South.

For more information contact Dustin Tran at dustinr@email.arizona.edu or visit the [GPSC website](https://www.gpsc.arizona.edu). For more information on how to apply for a grant, please visit [the GPSC website](https://www.gpsc.arizona.edu).

Graduate Funding Opportunities

The UA Graduate College currently has the following funding opportunities available, click here for more information: [http://grad.arizona.edu/funding/opportunities](http://grad.arizona.edu/funding/opportunities).

**Graduate Employment**

Graduate and Professional Student Positions

**Development Administrator**

The Development Administrator will assist the GPSC in developing a strategic donor-management plan by identifying donors and potential donors. The Development Administrator will also maintain donor relations by writing letters, making telephone calls, and following up on donations.

- Research and develop technical white papers and technical reports
- Professional level written and oral communications skills

**Network Engineer/Technician**

- Design and implementation of IP Routing and Switching, LAN, WAN, and WAN optimization solutions such as Cisco RAS and Performance Enhancement Protocols (PEPs)
- Cisco and/or Juniper IOS skills, including configuration of routers and switches, IP addressing, Access Lists, Spanning Tree, and disable and modify routing protocols to achieve efficient network traffic and reduce network congestion
- Networking Protocols: VLAN, TCP/IP, PPP, HDLC, RIP, IGRP, EIGRP, OSPF, BGP
- Operating Systems: Windows 7, Linux, Red Hat, and UNIX
- Design and implementation of systems acceptance test plans
- Research and develop technical white papers and technical reports
- Professional level written and oral communications skills

**Education and Experience:**

- 25 years and older
- Female with at least one young dependent
- Unmarried
- Working full-time
- Enrolled part-time in an online bachelor’s degree program at the University of Arizona

**Technical Proficiencies:**

- Networking Protocols: VLAN, TCP/IP, PPP, HDLC, RIP, IGRP, EIGRP, OSPF, BGP
- Operating Systems: Windows 7, Linux, Red Hat, and UNIX
- Design and implementation of systems acceptance test plans
- Research and develop technical white papers and technical reports
- Professional level written and oral communications skills

**Handshake**

Handshake is the university’s official career development platform where current students, alumni, career centers and employers come together to help job-seekers find jobs and employers find job-seekers.

**UA Computer-Based Training**

The University of Arizona’s Computer-Based Training, offered through the Virtual Training Company, provides free 24/7 access to online tutorials covering technical topics including programming languages, graphics programs, web design, and more. Most tutorials have between five and fifteen hours of content divided into lessons from 2-10 minutes long. Each lesson is available as a Flash, QuickTime, Adobe Air, or Adobe Air for Linux movie. Stop, start, rewind, and review each lesson as often as needed.

The Writing Skills Improvement Program (WSIP) is an academic support program that provides professional writing tutoring to UA undergraduate and graduate students, staff, faculty, and visiting scholars across all disciplines.

**Benefits:**

- Free - No cost to UA students, faculty, and staff
- Flexible - Self-paced and accessible at any time from anywhere
- Valuable - Courses can be used to prepare for certification exams

Visit the Computer-Based Training page for additional information.

**Laptop Loaner Program**

To arrange for a laptop, please contact:

- Student Services: 520-621-8278 ext. 2120
- SAsteam@email.arizona.edu

**Childcare Subsidy Program**

Funding open for the Childcare Subsidy Program through UA Life & Work Connections, and its campus partners.

**For any questions:**

*Email [lavessubsidy@email.arizona.edu](mailto:lavessubsidy@email.arizona.edu) for Student Subsidy Program questions or call 520-621-4365

*To request a consultation to discuss childcare options for your family contact Caryn Jung, MS by email at jungc@email.arizona.edu or call 520-621-9870

**Workshop Wednesday Schedule**

***Workshop Wednesdays ONLINE Schedule***

with online delivery through Adobe Connect

Events

The HACU National Internship Program (HNIP) is seeking applicants for the Spring and Summer 2018 internship sessions
HNIP provides students the opportunity to receive valuable work experience through paid internships with federal agencies and private corporations nationwide. Since its inception, HNIP has provided more than 11,000 internships. The deadline for students to apply for a Spring 2018 internship is October 27, 2017. The deadline to apply for the Summer 2018 session is February 16, 2018. Apply here!

Law Office Internship
Sierra Vista
Assist with client interview process, preparation of public benefits applications, and general administrative office tasks. Learn about elder law, and Medicaid and veterans benefits, including how to determine whether someone is qualified and how to help them apply. Must have excellent attention to spelling and grammar, an ability to follow-through on assignments without excessive supervision, knowledge of the Microsoft Office suite (Word, Excel, etc.), and be comfortable interacting directly with the public in a professional manner. Ideal for Liberal Arts or Human Services students. 5-8 hour weekly commitment.

UA Inclusive Excellence Symposium

Mark your calendars! The second annual UA Inclusive Excellence Symposium will be held on March 30th from 8:00 a.m. - 5:00 p.m. at the University of Arizona. The event is sponsored by the Associated Students of the University of Arizona (ASUA) and the Office for Diversity and Inclusive Excellence - Office of the Provost. This is an in-house diversity conference with various workshop sessions, and keynote speaker. The symposium is free and open to UA students, faculty and staff.

This year's symposium falls on Good Friday. With respect to those in observance, ODIEX will provide accommodations.

We will add symposium information on the website as we get closer to the event: http://diversity.arizona.edu/ua-inclusive-excellence-symposium

Should you have any questions regarding the symposium, please contact us via email at chaudley@email.arizona.edu and/or phone at (520) 621-3105.

Thank you very much and we look forward to seeing you all at the symposium.

NETCOM Internship

Ft Huachuca

NETCOM is looking to hire 100+ IT folks at intern. Requirements are Computer Engineers, Electronics Engineers, and Computer Scientists that got an undergraduate degree in the last 2 years. I figured this may be a great opportunity for some of our recent Cyber Ops, Electrical and Computer Engineering, Informatics, and Intelligence Studies graduates. Even better, UA South would be a great connection because of its proximity to Ft. Huachuca.

For more information please contact Debbie Short at (520) 538-6755 or debra.l.short2.civ@mail.mil

Scholarships
