**CYBV 496: Special Topics Course in Medical Device Cyber Security**

The Cyber Operations program at UA South is offering CYBV 496: Special Topics Course in Medical Device Cyber Security during the second 7.5 week session of Spring, 2018. The course instructor is Professor Yevetta Gibson, who possesses M.S. Degrees in Computer Information Technology and in Health Informatics and Health Information Management, and has extensive experience in working and teaching in these fields. The course will focus on topics such as Telemedicine; Healthcare Internet of Things; Cyber Security for Implantable and other Medical Devices and Electronic Medical Records; and ransomware. This course is offered fully online and there are no prerequisites or special skills required.

---

**Gamma Beta Phi Coat Drive**

Gamma Beta Phi is having a coat drive at all U of A South campuses for the month of November. Please help us by donating a clean coat of any size that will go to your local homeless. There are boxes at each campus to collect your coats.

---

**Graduate Opportunities**

**Represent UA South on the Graduate and Professional Student Council**

In order for GPSC to better serve the graduate student community, it is important that we have representation from the different groups/colleges across all our campuses. I hope you can pass this information along to a student at UA South who may be interested.

In order to be an appointed GPSC representative, each candidate must submit the petition, along with 10 signatures from members of their constituency. That includes any graduate or professional student from UA South.

For more information contact Dustin Tran at dustintr@catworks.arizona.edu or visit the GPSC website

---

**UA Computer-Based Training**

The University of Arizona’s Computer-Based Training, offered through the Virtual Training Company, provides free 24/7 access to online tutorials covering technical topics including programming languages, graphics programs, web design, and more. Most tutorials have between five and fifteen hours of content divided into lessons from 2-10 minutes long. Each lesson is available as a Flash, QuickTime, Adobe Air, or Adobe Air for Linux movie. Stop, start, rewind, and review each lesson as often as needed.

**Benefits:**
- Free - No cost to UA students, faculty, and staff
- Flexible - Self-paced and accessible at any time from anywhere
- Valuable - Courses can be used to prepare for certification exams

Visit the Computer-Based Training page for additional information.

**Handshake**

Handshake is the university's official career development platform where current students, alumni, career centers and employers come together to help job-seekers find jobs and employers find job-seekers.

Every current, degree-seeking UA student and recent alumni (within the past year) have a new account on Handshake ready and waiting. Just active it by signing in with your NetID. If graduated more than a year ago, just create a new account.

On Handshake, you can easily search and apply for on-campus jobs, internships, and full-time opportunities with employers recruiting UA students and alumni. Log in using the button below to access your account and confirm with your UA email.

Log in here: https://arizona.joinhandshake.com/login

UA Inclusive Excellence Symposium

Mark your calendars! The second annual UA Inclusive Excellence Symposium will be held on March 30th from 8:00 a.m. - 5:00 p.m. at the University of Arizona. The event is sponsored by the Associated Students of the University of Arizona (ASUA) and the Office for Diversity and Inclusive Excellence - Office of the Provost. This is an in-house diversity conference with various workshop sessions, and keynote speaker. The symposium is free and open to UA students, faculty and staff.

This year's symposium falls on Good Friday. With respect to those in observance, ODIEX will provide accommodations.

We will add symposium information on the website as we get closer to the event: [http://diversity.arizona.edu/ua-inclusive-excellence-symposium](http://diversity.arizona.edu/ua-inclusive-excellence-symposium)

Should you have any questions regarding the symposium, please contact us via email at chauldley@email.arizona.edu and/or phone at (520) 621-3105.

Thank you very much and we look forward to seeing you all at the symposium.

Scholarships

To learn more and begin the general application online, visit [www.azfoundation.org/scholarships](http://www.azfoundation.org/scholarships). And please share this news with all of the college-going students you know!

Internship and Engagement Opportunities

Windows Server Security STIG: Dec 4-8
CISPP: Dec 4-8
Network+: Dec 4-8
Cisco ICND2/CCNA: Dec 11-15
Security+: Dec 11-15

For more information or to sign up please contact Dr. John DeLalla at jd@arizona.edu or 520 732-2447
Monday-Saturday bus service. The system includes six stop locations with service three times on weekdays and twice on Saturday.

For a complete schedule for each stop, visit the schedule page or download the service brochure.

Arizona South students must maintain at least a 2.00 grade point average (major and cumulative) at the University of Arizona South prior to enrolling for an internship.

- Have sophomore status with satisfactory completion (a B or better) of English 101 and 102.
- If a continuing student, have completed at least two full-time semesters (minimum of 24 University Credits).
- Transfer students should have completed at least one full-time semester (minimum of 12 University Credits).
- Be currently enrolled at The University of Arizona South.

NETCOM Internship

Ft Huachuca

NETCOM is looking to hire 100+ IT folks at interns. Requirements are Computer Engineers, Electronics Engineers, and Computer Scientists that got an undergraduate degree in the last 2 years. I figured this may be a great opportunity for some of our recent Cyber Ops, Electrical and Computer Engineering, Informatics, and Intelligence Studies graduates. Even better, UA South would be a great connection because of its proximity to Ft. Huachuca.

For more information please contact Debbie Short at (520) 538-6755 or debra.l.short2.civ@mail.mil
