Volunteers Wanted
Volunteers Wanted for a Research Study
My name is Javare’ Phillips and I am a Doctoral Candidate with the University of Phoenix. I am seeking volunteers for a research study. The purpose of this qualitative exploratory case study is to determine which elements of active learning in curriculum and instruction will help increase the persistence of highly nontraditional students in an online bachelor's degree program.

- The major eligibility criteria is:
  - 25 years and older
  - Female with at least one young dependent
  - Unmarried
  - Working full-time
  - Enrolled part-time in an online bachelor's degree program at the University of Arizona
- Complimentary breakfast or lunch will be provided. If you participate, there are no direct benefits to you. However, you will contribute to educational research that will help promote effective teaching and learning experiences in online settings. Participants will complete a:
  - 10 minute online survey
  - 60 minute face to face interview
  - 60 minute focus group
  - 15 minute interview transcript check

To learn more about this research please contact the primary investigator at 520-334-7287 or email at javam01@yahoo.com

Graduate Opportunities

Represent UA South on the Graduate and Professional Student Council
In order for GPSC to better serve the graduate student community, it is important that we have representation from the different groups/colleges across all our campuses. I hope you can pass this information along to student at UA South who may be interested.

In order to be an appointed GPSC representative, each candidate must submit the petition, along with 10 signatures from members of their constituency. That includes any graduate or professional student from UA South.

For more information contact Dustin Tran at dustintr@catworks.arizona.edu or visit the GPSC website
