Attention Wildcats!
HACU National Internship Program

Paid Internships for All Majors

Whether you're seeking an internship with the federal government or in the corporate sector, the Hispanic Association of Colleges and Universities can provide you the opportunity to graduate with career experience.

For over 25 years, the HACU National Internship Program has partnered with organizations seeking to diversify their workforce.

Eligibility:
Be enrolled in a degree-seeking program at an accredited institution in the U.S. or Puerto Rico. Recent graduates are eligible for a limited number of internships.
Have completed freshman year.
Be an undergraduate or graduate student.
Have a minimum 3.0 GPA on a 4.0 scale
Be authorized or eligible to work by law in the U.S.

Travel and Housing:
Round-trip airfare for interns is arranged and paid by HACU
Federal interns can choose to arrange their own housing or can request HACU arranged housing. Federal interns in HACU arranged housing pay through payroll deductions and corporate interns pay via electronic funds transfer.

Education and Civic Engagement Study

Help us learn about your educational experiences and how you view society and civic engagement today.

What:
Online surveys, about 20 minutes each. Some participants may also be invited to take part in a focus group.

When:
Fall 2018
Spring 2019

You can enter a drawing for Beats headphones or a $25 Amazon gift card for each survey. Participation in the research study is not required. Only one entry per person per survey. Participation is void where prohibited by law.

Interested? Sign up here.
Questions? Email us here.

An Institutional Review Board responsible for human subjects research at the University of Arizona reviewed this research project and found it to be exempt from the requirements of federal regulations.
Federal Interns:
Pay is based on 40 hours per week
Undergraduate - $580
Graduate - $650
Student veterans and students with disabilities are strongly encouraged to apply

Corporate Interns:
Corporate interns will be paid, at minimum, salaries similar to federal interns based on 40 hours per week.
Resumes are accepted year-round, primarily for summer internships. Most interviews take place between August through April.
Full-time/permanent positions also available for college seniors and recent graduates.

Graduate Opportunities

Represent UA South on the Graduate and Professional Student Council
In order for GPSC to better serve the graduate student community, it is important that we have representation from the different groups/colleges across all our campuses.

In order to be an appointed GPSC representative, each candidate must submit the petition, along with 10 signatures from members of their constituency. That includes any graduate or professional student from UA South.

For more information contact Dustin Tran at dustintr@catworks.arizona.edu or visit the GPSC website.

Graduate Funding Opportunities
The UA Graduate College currently has the following funding opportunities available, click here for more information:

Homeland Security Investigations Cyber Crimes Center
ICE Homeland Security Investigations (HSI) is a critical investigative arm of DHS. HSI protects the United States against terrorist and other criminal organizations that threaten our safety and national security. HSI also targets transnational criminal enterprises who seek to exploit America’s legitimate trade, travel, and financial systems. HSI operates out of 70 offices in more than 45 foreign countries.

HSI criminal investigators, also referred to as

special agents, conduct criminal and civil investigations involving national security threats, terrorism, drug smuggling, child exploitation, human trafficking, illegal arms export, financial crimes, identity fraud, benefit fraud, commercial fraud and more.

The Cyber Crimes Center combats cybercrime and criminal exploitation of the Internet with state-of-the-art forensic technology. The center investigates large-scale cybercrime threats and provides expertise on cybercrime investigations to the field. It also uses global law enforcement networks to combat cybercrime threats.

For more information on how to apply, current position openings, and how HSI fits into the Department's cybersecurity workforce, visit the ICE HSI page here.

**Mickey Leland Energy Fellowship Program**

For over 20 years, the Mickey Leland Energy Fellowship (MLEF) Program has provided students with opportunities to gain hands-on research experience with the Department of Energy's (DOE) Office of Fossil Energy (FE). This program has mentored hundreds of the best and brightest students from across the nation for future careers in science, technology, engineering, and mathematics (STEM) and provided insight into how the DOE is working to meet the energy challenges of the future.

Selected candidates will train under the mentorship of program officials and scientists working on focused research projects consistent with the FE mission. At the conclusion of the program, Fellows attend a "Technical Forum" where they will present their research findings and tour a nearby technical site.

**Eligibility**

Be at least 18 years of age at time of application
Be a U.S. citizen

**Mickey Leland Energy Fellowship Program Webinars**

These sessions will give you information on the program. You can register for one of the sessions by using the links below or visiting the website. The same information will be shared at each session, so please only register for one session.

The session times are listed in Eastern Time.

Scholarships

The Arizona Community Foundation invites high school seniors and current college students throughout Arizona to apply for more than 100 scholarship awards. With the completion of just one online application, students are automatically matched with all of the awards for which they qualify. Last year, nearly $1.7 million was awarded to thousands of Arizona students.

The general application for the 2018-19 academic year is now live.

To learn more and begin the general application online, visit www.azfoundation.org/scholarships. And please share this news with all of the college-going students you know!

Scholarship Universe is a University of Arizona resource devoted to matching students with as many scholarships as possible that they qualify for. Students answer a variety of questions and are matched to hundreds of scholarships that they can apply for.

Apply today at Scholarship Universe to find the best scholarship for you!
