THE UNIVERSITY OF ARIZONA

UA South

BAS in Applied Science – Cyber Operations Plan File (PPF)  
Category I

<sup>1</sup>Students may take these courses from any regionally accredited institution for transfer to UA. While courses may vary in terms of units offered, a minimum of 3 units for each course must be completed. This table assumes 3 units per course.

<sup>2</sup>This table is based on a typical 60 unit transfer from CCAF. However, students may apply an additional 15 units of CCAF (or Arizona community college) credit to their BAS degree.

<sup>3</sup>The University of Arizona requires second language proficiency at the second semester level to graduate with a BAS degree. No coursework is required and this requirement can be fulfilled with a proficiency test: <http://catalog.arizona.edu/2015-16/policies/secondlang.htm>.

<sup>4</sup>The University of Arizona requires ENGL 102 for BAS degrees, but this requirement can be met with a writing portfolio for transfer students, which would require no additional coursework be taken.
